## Our Vision:

Dispur College aspires to be a nationally acclaimed Higher Educational Institution. It is our persistent endeavour to remain resolute and unwavering in the pursuit of knowledge aligned with the motto of the institution “Tamso Ma Jyotirgamaya (तमसोमाज्योतिर्गमय)” and positively contribute towards holistic education which focus on nurturing student’s talent and personal development; promoting intellectual growth; developing professional skills; fostering gender equity and stimulating employability and to prepare them to work for holistic development of the society and the nation.

## Our Mission:

Pledged to achieve our Vision through our Core Values and to educate the students to the highest levels of academic accomplishment, to empower them to reach and expand their perspective and to prepare them to become ethical, accountable, compassionate, productive, inventive members of the society as well as worthy citizens of the state.

## Core Values:

- 1. Integrity:** Acting in accordance with the highest academic, professional and ethical standards is a priority for one and all representing the educational institution.
- 2. Responsibility:** We are aware that our moves influence the world around us and based on that apprehension, we make the conscious choice to take actions to improve our community and the lives of each and everyone around us.
- 3. Diversity and Inclusion:** Institution respects and appreciates differences in socio-economic background, education, ethnicity, colour, gender, age, caste, race, religion, physical abilities etc. among individuals. We share environment where everyone has equal opportunity to contribute ideas.
- 4. Excellence:** We strive for excellence in all our endeavours as individuals, an institution, and a leader in higher education.
- 5. Teamwork:** We understand that team values allow us to perform our role effectively and contribute to Institution's success.
- 6. Transparency:** We believe in accessibility, compliance, communication and accountability.
- 7. Environmental Sustainability:** We value adopting practices for minimising our impact on the environment to the benefit of a more sustainable future for posterity.

## FROM PRINCIPAL DESK

Dear Students,

I extend a warm welcome to each of you who seeks to acquire knowledge and contribute to the betterment of society and our nation by joining us here at Dispur College. Situated in the heart of Assam's capital, our aim is to foster the holistic development of every student, empowering them to confidently navigate their future endeavors and contribute meaningfully to society. We recognize that the success of our institution hinges not on the efforts of one individual, but on the collective contributions of our entire community.

Dispur College, established in 1978, boasts of 12 academic departments in both Arts and Commerce streams, along with highly efficient vocational departments in BBA & BCA, with an enrollment of around 2700 students. An ISO certified college with SDG Accord, Dispur College has also been able to occupy Second Rank in the state level and Sixth Position in the entire Eastern India in Arts Stream in a Survey conducted by a Magazine of National Repute "The Open" in 2022.

We are dedicated to addressing the various challenges that students may encounter during their educational journey, and we are committed to implementing necessary measures to ensure your success and individual growth. Our campus life celebrates the rich folk culture of our region through art, dance, and creative expressions, fostering an environment that honors tradition and cultural heritage.

At Dispur College, we understand the importance of holistic development. Alongside our rigorous academic curriculum, students will be encouraged to access a wide range of extracurricular opportunities, including clubs, sports, and cultural activities. From participating in initiatives like NCC, NSS, Scouts & Guides to showcasing their talents in various competitions, our students are empowered to explore their passions and enhance their skills beyond the classroom.

Our college is proud to have students who have excelled in state and national sports, cultural, and extracurricular activities, bringing glory not only to our college but also to our state. For instance, The Dispur College Boys Football team recently clinched the Championship Title of the Reliance Football Tournament held at Guwahati, while the Girls team emerged as the runner-up in the Reliance Foundation Football Tournament. Additionally, our cricket team achieved a remarkable feat by securing the first position in a tournament held at the campus field of SITM, Garchuk.

Furthermore, our dedication to cultural excellence is evident in our accolades at events such as the Assam Book Fair, where we won the 1st prize for Bihu Dance and the 4th prize as a team at the Cultural Show Competition in 2023.

Academically, our college has achieved remarkable results, with the state's highest pass percentage in commerce in HS results and 100% pass rates in both arts and commerce degree courses, with 90% achieving first class. Furthermore, we have attained a 96% pass rate in HS commerce, the highest in the state, and a 91% pass rate in HS arts. We take pride in nurturing a gender-equitable and inclusive environment, where every student has the opportunity to thrive. Facilities such as separate washrooms for transgender students, seat reservations, and free admission for needy transgender students, along with initiatives like the Gender Champion Program, demonstrate our commitment to fostering inclusivity.

In line with our commitment to sustainability, Dispur College is a tobacco-free and plastic-free zone, promoting environmental consciousness among our students and staff.

Our institution also prioritizes intellectual enrichment through a myriad of seminars and workshops. Over the past five years, we have hosted more than 120 seminars and workshops, both nationally and internationally, providing invaluable exposure to our students. Events like the South East Asian Cultural Confluence, South East Asian Cultural Conclave, and the ICSSR Sponsored International Seminar have been attended by foreign delegates, enriching our students' learning experiences.

Additionally, Dispur College has embarked on a journey of literary contribution, having recently published around 12 books. These publications not only benefit our students but also contribute to the broader societal discourse.

In alignment with the National Education Policy 2020, Dispur College has already introduced Four-Year degree courses from last academic year. Additionally, we offer a range of certificate courses aimed at enhancing your skills and employability. We firmly believe that knowledge and skill must go hand in hand, empowering our students to excel in their chosen paths. We offer extensive opportunities for skill development and employment through our Institution Innovation Council (IIC), which collaborates with NSDC & IIE, Guwahati.

I invite each of you to become part of our esteemed institution and embark on a journey of self-discovery and transformation. As Rabindranath Tagore wrote, "Where the mind is without fear and knowledge is held high," we remain steadfast in our commitment to nurturing fearless, enlightened minds who will lead our nation towards progress and prosperity.

**Dr. Navajyoti Borah**

## The Inception:

With the shift of the capital of Assam from Shillong to Dispur, there emerged a huge demand for higher education in the adjacent areas of the new capital which led to the establishment of Dispur College in the year 1978, with Sri Ghana Kanta Chetia Phukan as its founder Principal. The classes were started with the Arts Stream at Gopal Boro Govt. Higher Secondary School in the evening shift only. During the tenure of Principal Dr.Reba Kanta Hazarika, the college shifted to its present premises in 1987, at the foothill of Narakasur Hill near Ganeshguri Chariali, Dispur, in the heart of Guwahati City. The evening shift was discontinued and the classes were transposed to day shifts. The Arts Stream was provincialized w.e.f. 1st April, 1992. The College was recognized by the UGC U/S 2F and 12B in 1995-96. From the academic session 1991-92, the Commerce Stream (HS) was introduced and in the year 1994-95, an undergraduate course (B. Com) was introduced in morning shifts. The Commerce Stream was provincialized w.e.f. 1st January, 2013. Due to changing needs and demand for professional education, the college introduced BBA and BCA from the session 2007-08. The College also provides a platform for open learning via the K.K. Handiqui State Open University and Centre for Distance & Open Education, Gauhati University.

# Missions Achieved

## All India Survey of Higher Education (AISHE) under MoE:

**Structure of FYUGP (Four Year Under Graduate Programme) in Arts  
B.A. Honours in Assamese, English, Education, Economics, Political Science,  
Philosophy and History under NEP 2020**

**To know details about FYUGP under Gauhati University visit:**

<https://gauhati.ac.in>

<https://nep.gauhati.ac.in>

<https://assamadmission.samarth.ac.in>

<https://syllabus.gauhati.ac.in/ug/courses>

From the Academic Session, 2023-24, Dispur College has implemented the FYUGP (Four Years Under Graduate Programme) in Arts and Commerce under Gauhati University which is based on the National Education Policy (NEP) 2020. The FYUGP at GU is designed to offer two types of Bachelors' Degrees to the students at the end of the successful completion of the programme- (i) Bachelor's Degree in a Stream and (ii) Bachelor's Degree in a Discipline. The word Stream here refers to Arts, Science, Commerce and Management. In case of a degree in a stream, the student studies a multitude of different subjects, usually mixing different disciplines, which leads to a truly multidisciplinary degree. While in case of a degree in a discipline, the student is confined to a certain set of disciplines.

**Admission:**

**Admission to the FYUGP shall be done as below:**

**1. Eligibility**

- a. A student who has passed 12th standard or equivalent examination in any stream from a recognized institution.
- b. Admission to the FYUGP will be based on the preference of major, if any. In case a student does not want to opt for any Major, she/he will be admitted on the basis of preferences of the subject combinations.
- c. Admission to a Programme or Major will be subject to availability of the subject and capacity of a college/department.
- d. No student shall be eligible for admission to a Programme in any discipline under the FYUGP UNLESS she/he fulfills the pre-requisites of courses as fixed by the university.

**2. Progression and exits**

The progression and exits during the whole course structure is given below.

**(a) After 1 Year**

One can exit just after one-year. In this case, the student will have to complete one extra Vocational / Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a Certificate. The minimum total credit requirements are 44 (and 4 credit extra for the exit Vocational / Skill course).

**(b) After 2 Years**

One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational / Skill course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirements are 84 (and 4 credits extra for the exit Vocational / Skill course).

**Faculty members and students on the occasion of college week prize distribution ceremony.**

### (c) After 3 Years

If a student completes 3 years, s/he can exit the programme. In this case the student will get a Bachelor's Degree. The minimum total credit requirements is 120.

### (d) After 4 Years

After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research. The minimum total credit requirements is 160.

It should be noted that any certificate / diploma / degree is awarded only if the student clears (i.e. passes) all the required courses (papers) till that point of time.

**However, a student can complete his FYUGP within a maximum period of 7 years.**

## 3. ABC (Academic Bank of Credits)

The GU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earn at the end of an examination in GU-FYUGP, will be deposited in the ABC by the university.

As such it is mandatory that a student under GU-FYUGP register for the ABC as notified by the regulatory agencies.

**\*Aadhaar Card is mandatory for all the admitted students as it will be required for all purposes like creation of ABC, Registration with University, etc. Those who do not have Aadhaar Card, they must avail it within two/three weeks from date of admission.**

## 4. Multiple exits and entries

The FYUGP allows students to have multiple exits and entries. That is a student can exit the programme, say after one year and then again can enter the institution as per the policy of Inter-institutional mobility (shown in point no. 5) Programme at a later time and can continue the programme from where s/he left. This process can be executed multiple times.

However, the entry into the programme is subject to availability of positions at that point of time and in that institute / college. Besides, the following should apply

(a) A student will get a certificate / diploma / degree on exit from the GU-FYUGP (depending on in which year the student exits), only when the student passes in all the minimum compulsory courses at that point of time.

(b) After an exit, either after Year 1 or 2, the student can seek an entry only into the same programme to which the student was admitted.

(c) When a student exits the GU-FYUGP after 3 years with a Bachelor's Degree, she/he cannot seek re-entry into the programme at the fourth year, rather he/she will need to take admission into the Master's programme at the first year.

(d) As the contents (syllabi) of all the courses are subject to modification from time, when a student enters into the programme after an earlier exit, the contents of all courses will be what is as per the syllabi at the current point of time.

Celebration of 77th Independence Day

## 5. Inter-institutional Mobility

The GU-FYUGP allows a student for inter-institutional mobility, both for incoming and outgoing students. For this, GU will take into account the credits a student has in his / her ABC.

For an incoming student, the following should be observed:

- The entry is subject to availability of seats in the concerned discipline.
- The student need to fulfil all the academic prerequisites of the concerned discipline.
- Gauhati University will award a degree to a student, only when the student will have completed 60% of the credits for core courses from GU.

## 6. Choice of courses

### Prerequisites

Prerequisites are conditions which need to be fulfilled prior to admission into the FYUGP. Each subject and its course (paper) has their own prerequisites, which need to be fulfilled by a student prior to enrolment. For details one can visit university website <https://gauhati.ac.in/> [https://nep.gauhati.ac.in](https://nep.gauhati.ac.in/)

Here, having a prerequisite necessarily means that the student needs to have passed in the subject. The details of these prerequisites are available in the FYUGP Information Booklet.

### Requirements

As opposed to prerequisites, the requirements are conditions which need to be fulfilled when a student chooses a certain subject or course. For example, when a student wants to study Botany as a subject, Chemistry as another subject must be studied.

The details of the requirements are available in the FYUGP Information Booklet.

### Course options

Subject to fulfilment of prerequisites and requirements, a student can choose any subject as core subjects. The nomenclature of the degree awarded (whether Bachelor of Arts or Science) will be decided by the group to which at least two subjects belong.

## 7. Examination & grading

### Examination

The examination modalities of GU-FYUGP will be as per GU's Examination Ordinance.

### Grading

After successful completion of the programme, a student will be awarded grade. In GU-FYUGP, there will not be any percentage of marks, but all students will provided SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) as per UGC's Curricular Framework.

## 8. Fourth year of the GU-FYUGP

The fourth year of the GU-FYUGP consists of one compulsory course on Research Methodology of credit 4, to be studies in Semester VII. The rest of the course consist of Advance Core Courses and a Dissertation. The details of the fourth year will be available later.

Sahitya Akademi sponsored Seminar organised In the college

## 9. Curricular Components

The entire FYUGP curriculum is divided into two parts – (a) Core Courses and (b) Common Courses, which are described below.

### 9.1. Core courses

The core courses constitute of Majors and Minors. Usually, a student will choose one Major subject and two Minor subjects. Different options are described in the next section. All core courses have a credit allocation of 4. Altogether, irrespective of any Major or Minor options, a student will necessarily need to study 21 courses (papers) with total credit allocation of 84 over a 3-year programme.

**Major Course:** The minimum credit requirements for a Major Course over a 3-year period is 60 which translates to 15 courses (papers).

**Minor Course:** The minimum credit requirements for a Minor Course over a 3-year period is 12 which translates to 3 courses (papers).

Second Major Course Provided a student has a Major Course with 60 credits, she/he can convert one of her Minor Courses to a Second Major only with a credit allocation of 48. In that case, s/he gets a degree with Double Major and Minor.

### 9.2. Common courses

As the name suggests, these courses will have to be studied by all students of FYUGP. Together the common courses have a credit allocation of 36 divided over five subdivisions.

They are:

- (a) Value Added Courses (VAC) : Total Credits 6
- (b) Ability Enhancement Courses (AEC): Total Credits 8
- (c) Multidisciplinary Courses: Total Credits 9
- (d) Skill Enhancement Courses (SEC): Total Credits 9
- (e) Internship: Credit 4

A brief description of these courses is given below.

#### • Multi-disciplinary Courses

These are 3-credit courses spanning over five different groups of subjects — (i) Natural and Physics Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses are of Class XII.

#### • Ability Enhancement Courses (AEC)

This is a 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication).

Each student need to complete two courses of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1-2.

Participating in the Coal India Limited Half Marathon conducted by the Indian Army

### • Skill Enhancement Courses (SEC)

There are various skill courses with total credit allocation of 9. In our structure, we shall have four skill courses starting from Semester 1 and in Semesters 4-6.

### • Value Added Courses (VAC)

The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6.

Each student will have to take any two courses, each of 3-credits, from any three groups during Semesters 2 & 3. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

### • Internship

All student is to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

## Professional Courses (Affiliated to Gauhati University and Approved by AICTE)

Professional courses may play a key role in shaping the future of the nation. Due to the ever-growing demand of such courses, the Government has put in a great deal of initiatives to promote professional education at various levels through different technical and non-technical institutions. With this perspective,

Dispur College has been offering regular professional courses like BBA (Bachelor of Business Administration) and BCA (Bachelor of Computer Application) affiliated to Gauhati University and approved by the All India Council of Technical Education.

**For further details contact: BCA- 8638379997, BBA- 7575945530**

### Laboratory Facilities

The department has a well-equipped Computer-cum-Electronic Laboratory.

- **Computer Lab-cum-Electronic Laboratory:** It is equipped with high performance servers and PCs updated with latest scientific and mathematical software packages. The students are guided by well-experienced faculty members in the computer lab having permanent access to Internet facilities via LAN connections. The Electronics Lab segment has a rich collection of devices and instruments related to electronics including MICRO PROCESSOR 8085, MICRO PROCESSOR 8086, and other well-equipped devices.

### Assignment

Assignments are administered as part of the practice and evaluation schemes. These are important components in internal evaluation schemes.

### Seminars

Seminars are conducted on current IT and Management topics of importance. These seminars help students to interact with different professional industries.

### Workshop/IT Training/ Projects

Information technology skills are essential for engineers to be successful in today's information technology intensive environment. Projects attempt to bridge the gap between the professional world and academic institutions. They help the students to develop practical work skills. Likewise, IT Workshops, held at regular frequency, are crucial in helping students attain hands-on training in latest technologies.

### Interview Training:

Placement meets and personality development workshops are organized as parts of the placement program. All the students are guided on career planning as they progress to higher levels of the program. The entire placement exercise is a joint effort between the institute and the students. The students have the responsibility to put in the maximum possible efforts to obtain suitable placements under the guidance of the department.

### Recruitment:

On completion of the courses, about forty percent students have secured jobs in MNCs like Cognizant, Wipro etc. through campus placements. Students have also been employed in some other organizations through direct interview.
